

# SKY Club

Support for Kids & Youth

 Community Programs

The Newcomer Centre's Support for Kids and Youth (SKY) Club offers academic supports and a variety of activities, games, workshops and occasional field trips to better explore Edmonton.

## Participant benefits:

- Provides academic support to improve performance and grades.
- Offers a positive, structured and safe space to study, converse with peers and get to know each other better.
- Provides space to develop and practice social skills.
- Provides activities in a caring environment where everyone feels valued and safe.
- Shared knowledge and fun while building healthy relationships based on self-respect with other students and volunteers from different cultural backgrounds.

Funded by:

Educational tutoring & mentorship program that supports Grades 1—12 students with their academic work and builds community connections.

**Runs** 10 am—2 pm  
every Saturday during  
September to June  
of each school year  
- except long weekends

**Program Eligibility** Any immigrant  
student from  
Grades 1 – 12

Those who commit  
to participate every  
Saturday during the  
September to June  
school year.

**Cost** Free
