Testimonial

"I-WIN gave me confidence and consolation. The I-WIN family made me feel appreciated and supported. Strength, motivation and self-esteem are essential for us newcomers, to be able to understand, be resilient and get ready to set a firm foot in a new life. I-WIN helped me make connections by teaching me that 'together we are stronger.' If I could take a cup of I-WIN program every morning, I would because it is more than just a program to me; it is the daily dose of energy that keeps me going."
~Sabrine Mzad, I-WIN Grad
