

EmpowerHER

EMCN Community Programs

Supporting empowered immigrant women to unlock their goals and succeed in their businesses and careers.

 **EmpowerHER** participants receive:

- Empowering workshops that develop new skills and knowledge through hands-on learning experiences.
 - Increased self-confidence and self-awareness.
 - Improved communication and networking skills.
 - Mentoring and one-on-one coaching from experienced professionals.
 - Access to a supportive network and community of like-minded women.
 - Exposure to a variety of career paths, industries and resources.
 - Knowledge about entrepreneurship and business development.
- And much more.

Funded by:

2023-12-14

EmpowerHER provides immigrant women with the tools and resources needed to make an impact in their communities and achieve financial independence.

Through EMCN's comprehensive training, coaching and mentorship, we help women achieve their business and career goals in a supportive community.

Join EMCN's EmpowerHER program of women inspiring women to unlock your full potential for success today!
