EMCN Employment & Training Programs

EMCN's Skill Up program is a foundational and technical skills employment training initiative for newcomers who want to enter the construction industry and related trades. This program bridges the gap for newcomers between their existing skills and education, as well as the needs and requirements of Alberta's job market.

Successful participants receive:

- 17 weeks of paid training
8-weeks of in-class essential skills training & 9-weeks of onsite training
- Job placement
- Related exposure courses
- Certificate of Skill Up course completion
